Director: Ivy N. Allard
HCH Coordinator: Nancy McPherson, CNP
Medical Director: John Herbst, MD
UDS Number: 081890

Project Description

Rapid City Community Health Center Outreach Program is a project of the Rapid City Community Health Center. The program's main office is located at the Cornerstone Rescue Mission with outreach sites at the mission, as well as Working Against Violence Shelter, Pennington County Community Action Project, Salvation Army, and Cornerstone Rescue Mission Women and Children's Shelter.

Services

Primary health care services are provided at all sites. The sites are staffed by a full-time PA-C, medical clerk, and case manager/mental health counselor. Substance abuse counseling is provided in conjunction with Pennington County Alcohol and Substance Abuse Center. Additional service needs are met through referral to the main site of Rapid City Community Health Center and other agencies.

Linkages

HCH refers to private and public agencies whenever services aren't available in the clinic.

Statistics

Estimated homeless population: 2,500 Project users: 1,090
